## Off-Leash Areas in the Shoalhaven:

Shoalhaven City Council understands that it's necessary for our community's dog owners to have access to suitable exercise and play facilities<sup>11</sup>.

Our 16 Off-Leash Areas (OLAs) on Council managed land provide dog owners the opportunity to enjoy their pet's company for recreation and training without the restraint of a lead.

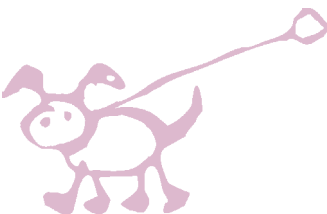

Please make use of these facilities – throw a frisbee, toss a ball – and get more out of your pet<sup>10</sup>!

If your dog is in any public place other than an approved off-leash area<sup>11</sup> s/he must be under the effective control of a competent person by means of a chain, cord or leash.

## Guidelines for Off-Leash Areas:

Dogs are only permitted to be off-leash in these designated Council managed areas and then still under the control of their handler, which should be a responsible adult.

- ◆ all dogs are to be leashed before entering and before leaving off-leash areas<sup>17</sup>;
- ◆ all dogs must wear a collar and tag that show the name of the dog, and the address and/or telephone number of the owner of the dog;
- ◆ all dogs should be identified (microchipped) and registered<sup>20</sup>;
- ◆ no restricted breeds, or dogs declared dangerous, nuisance or aggressive<sup>21</sup> are permitted in off-leash areas;
- ◆ a leash and poo bags should be carried at all times, and all faeces must be picked up and disposed of as required;
- ◆ no aggressive type games are permitted;
- ◆ harassment of wildlife, livestock, dogs or other users is prohibited;
- ◆ dogs that become uncontrollable or aggressive should be removed from off-leash areas;
- ◆ all off-leash areas will be regularly patrolled and all regulations enforced<sup>19</sup>;

## Areas Where Dogs are Prohibited

Dogs are totally prohibited from entering the areas described below and the areas specified in the following maps. This restriction does not apply to police dogs or dogs used to assist people with disabilities.

- ◆ within 10 metres of any children's playing apparatus or food preparation/consumption areas in public areas. This does not apply if the food preparation/consumption area is a public thoroughfare and where a 10 metre separation distance is not possible.
- ◆ within the grounds of any child care centre or school without the approval of the person in charge.
- ◆ within 200m of identified shorebird nesting sites.
- ◆ within 200m of 'flagged' beach patrolled areas subject to site specifications for access.
- ◆ within all Council owned/operated swimming pool complexes.

**Penalties for non-compliance apply  
under the Companion Animals Act**

**This policy pertains to land enforced by  
authorised officers of Council under the  
Companion Animals Act.**

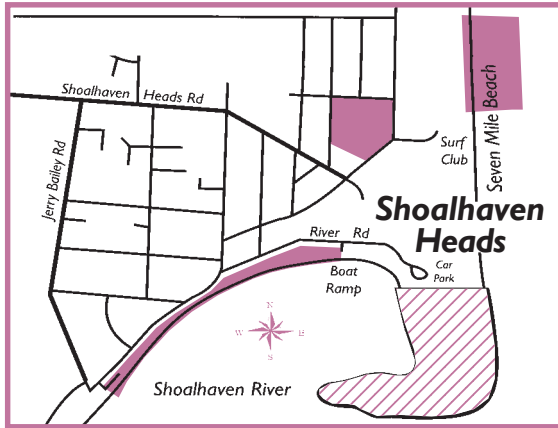

**This access for dogs policy was adopted by  
Shoalhaven City Council at its meeting of 27/5/08  
and is subject to further reviews.**

**This brochure is correct at time of printing and subject to change without prior notice.**

**Take your dog!  
Take a lead!  
Take a poo bag!**

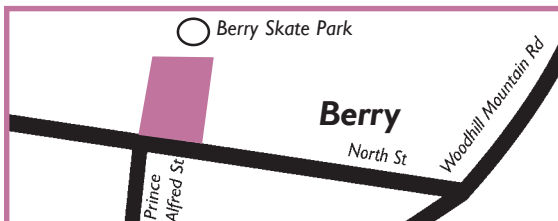

## Shoalhaven Heads

- Jerry Bailey Reserve cricket field  
**Off leash from 4.00 pm to 8.00 am each day - on leash from 8.00 am to 4.00 pm each day.**

## Bawley Point

Cormorant Beach & foreshore reserve between Tingira Drive and Terragong Avenue.

Off leash from 4.00 pm to 8.00 am each day.

**Key:**     Off leash areas     Prohibited areas

## Advice for Off-Leash Users:

Control over your dog and respect for the rights of local residents, other users and the environment are the keys to preserving off-leash facilities.

- ◆ please keep within the signposted portions of off-leash areas;
- ◆ your dog should be trained to consistently return to you in the face of distraction;
- ◆ silent-whistle recall training can be a useful aid for off-leash control;
- ◆ if you know your dog has doubtful social skills, is not trained to come when he is called or is the fearful type<sup>13</sup>, do not take your dog to any off-leash areas;
- ◆ don't feed your dog<sup>11</sup> before visiting an off-leash area;
- ◆ let your dog know you are carrying food treats as this will keep your dog close by and his focus will remain on you;
- ◆ reward your dog with treats each time he returns or retrieves on command;
- ◆ don't allow your dog to be a nuisance to other users of off-leash areas, and restrain your dog if requested to do so;
- ◆ if your dog approaches another person or dog, don't rush up yelling at your dog as this could incite your dog or the other dog to attack<sup>5</sup>;
- ◆ quietly wait a reasonable distance away until the dogs have lost interest in each other. You should then call your dog, praise and reward him upon his return;
- ◆ ask any person approached by your dog to remain still until the dog has scented them<sup>6</sup>; do this yourself if another dog approaches you;
- ◆ if your dog is approached by another dog while playing with toys, recall your dog, restrain him and remove the toy so that your dog won't feel the need to protect it from the other dog;
- ◆ use your visit to the off-leash area for controlled exercise or play **only**. Please don't allow your dog to wander off and go exploring by himself<sup>23</sup>;
- ◆ keep your first visits to an off-leash area to a strict routine and your dog will soon learn 'the drill'.

## Useful Contacts:

- ◆ **Environmental Health Services** – barking dog complaints

Telephone: (02) 4429 3441

- ◆ **Animal Management Unit** – all other companion animal issues

Telephone: (02) 4429 3433
